

BLUE EAGLE WELDING HELMET 733P

PRODUCT DATA SHEET

Technical Specifications:

Model:	733P
Brand:	Blue Eagle
Material:	Polypropylene (PP) shell
Helmet Type:	Welding Helmet (Lift-Front Lens Holder)
Lens Size:	110 mm × 90 mm
Lens Included:	No (sold separately)
Protection:	Heat, sparks, and moisture resistant
Color:	Black

Description:

The BLUE EAGLE 733P Welding Helmet is designed for professional welding applications, providing protection against sparks, heat, and debris. Featuring a lift-front lens holder, the helmet allows easy lens insertion and replacement. Constructed from a durable polypropylene shell, it ensures toughness, moisture resistance, and long-lasting use.

Features:

- ★Lift-Front Lens Holder: Quick and easy lens replacement
- ★Durable Polypropylene Shell: High impact and moisture-resistant
- ★Lightweight Design: Comfortable for prolonged welding work
- ★Heat & Spark Protection: Insulated against welding hazards
- ★Professional Use: Suitable for industrial and workshop applications

Applications:

- ★Arc welding
- ★Gas welding and cutting
- ★Fabrication workshops
- ★Maintenance and repair welding
- ★Industrial and manufacturing environments
