# BODY COOLING TOWEL

## When Do You Need A Cooling Towel?

Playing golf

Cycling

Running

Go hiking

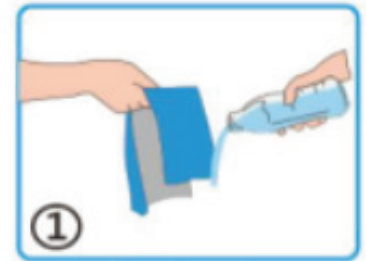

Playing basketball

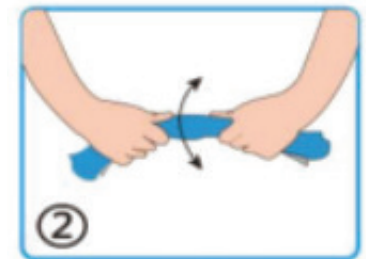

Doing workout

1. Made from high-tech performance fabric that instantly cools when it gets wet, whether from water or sweat, and a simple wring-out and a snap will reactivate the cooling properties. Stays cool for up to 2 hours , requires no refrigeration or ice.
2. This cooling towel is is light and compact.It absorbs three times its own weight in water.The knit we use for the towel is very light,making it soft and silky to touch.It is the fastest drying towel in our range,just wring it out and use it again.
3. The cooling rally towel makes a great giveaway item for sporting events, political rallies, and charity functions. Designed for all sports, from basketball to golf.
4. Chemical-free, eco-friendly , breathable, reusable and machine washable.
5. Perfect Multi-Use towel : Great for traveling, fishing, BBQ, backpacking, cycling, running, golf, beach, gym, hiking, you name it !
6. **Available color : Aqua Blue**
