

COTTON HELMET COVER

PRODUCT DATA SHEET

Technical Specifications:

Material:	100% Cotton
Product Type:	Helmet Sun Protection Cover
Fit:	Compatible with most standard safety helmets
Breathability:	High
Reusable:	Yes

Description:

The Cotton Helmet Cover is designed to provide effective protection for the face and neck against direct sunlight and heat exposure. Made from 100% cotton, it offers breathability, comfort, and durability for extended outdoor use. It easily fits most standard safety helmets, making it ideal for construction and outdoor industrial environments.

Features:

- ★Sun Protection: Shields face and neck from harmful sunlight
- ★Comfortable Fabric: Soft and breathable cotton material
- ★Lightweight Design: Ensures comfort during long working hours
- ★Easy Installation: Quick and secure fit over safety helmets
- ★Durable Construction: Suitable for repeated use
- ★Worker-Friendly: Helps reduce heat discomfort outdoors

Applications:

- ★Construction sites
- ★Road work
- ★Outdoor maintenance
- ★Oil & gas industry
- ★Agriculture
- ★General outdoor work
