Description:

The JKB-004-3310-02B Tool Pouch is a durable, multi-pocket tool organizer designed for professionals in construction, electrical, carpentry, and industrial applications. Made from heavy-duty fabric, it provides secure storage, easy access, and enhanced mobility for tools and accessories.

Features:

- ★Ergonomic Design: Compact and lightweight, allowing comfortable wear for extended periods.
- ★Multi-Pocket Storage: Designed with various compartments to hold hand tools, measuring tapes, pliers, screwdrivers, and fasteners.
- ★Heavy-Duty Construction: Made from reinforced polyester fabric, resistant to wear and tear in tough work environments.
- ★Adjustable Belt Strap: Ensures a secure fit and hands-free mobility during work.
- ★Versatile Application: Ideal for use in construction, electrical work, maintenance, and DIY projects.
- ★Metal Clip Holder: Allows secure attachment for measuring tapes or other clip-on tools.

Applications:

- ★Construction Sites – Organizes essential tools for quick access.
- ★Electrical Work – Holds screwdrivers, testers, and pliers for easy handling.
- ★Carpentry & Woodworking – Keeps chisels, hammers, and nails within reach.
- ★Plumbing & HVAC – Securely stores wrenches, pipe cutters, and fittings.
- ★DIY & Home Repair – Convenient storage for household tools.
