Type:	Disposable

Description:

The PE Clear Poncho with Hood is a lightweight and waterproof protective garment designed to provide quick and convenient protection against rain and moisture. Made from polyethylene (PE), this poncho is ideal for single-use or short-term applications. Its loose-fitting design allows it to be worn over clothing, while the attached hood provides additional protection for the head and neck. Perfect for emergency use, outdoor activities, and workplace environments.

Features:

- ★ Lightweight and easy to carry
- ★ Waterproof protection against rain
- ★ Attached hood for full coverage
- ★ Quick and easy to wear
- ★ Disposable and hygienic
- ★ Compact packaging for convenience
- ★ Suitable for emergency use

Applications:

- ★ Outdoor work and construction
- ★ Emergency rain protection
- ★ Events and crowd management
- ★ Travel and camping
- ★ Warehousing and logistics
- ★ General-purpose rain protection
