

STEIF ELECTRICAL GLOVES

CLASS 2

PRODUCT DATA SHEET

STEIF

ELECTRICAL GLOVES

Category	Color	Max Use Volts
A,C,H	Orange	17000V AC

EN 60903:2003
IEC 60903:2014

Class 2

Size:10

Features:

- Made from high-quality insulating materials to prevent electrical conductivity.
- Tested and certified to meet industry standards for electrical safety.
- Available in different classes and voltage ratings to suit specific job requirements.
- Ergonomic design for maximum comfort and dexterity during use.
- Resistant to punctures, cuts, and abrasions for long-lasting durability.
