

STEIF Earmuff Neptune

PRODUCT DATA SHEET

Technical Specifications:

Model:	EM 5003
Product Type:	Multi-Position Earmuff
Series:	Neptune
Housing Material:	ABS
Cushion Material:	PVC with synthetic foam lining
Standard:	CE EN 352-1
SNR :	29 dB, H=36 dB, M= 26dB, L= 18dB

Description:

The STEIF Earmuff Neptune (EM 5003) is an economical multi-position hearing protection solution designed to deliver excellent noise isolation across various industrial environments. Built with durable ABS ear cups and soft cushioning, it ensures reliable protection together with long-wear comfort. STEIF earmuffs are known for their cost-effective performance and are available in multiple configurations including foldable, headset, and helmet-mounted models to suit different user requirements.

Features:

- ★ Cost-Effective Protection – Reliable noise reduction at an economical price
- ★ Multi-Position Design – Flexible wearing positions for user convenience
- ★ Durable ABS Housing – Resistant to impact, heat, low temperature, chemicals, and electrical hazards
- ★ Soft Synthetic Foam Lining – Enhances comfort during extended wear
- ★ PVC Ear Cushions – Provide close facial seal for optimum sound isolation
- ★ Lightweight Construction – Reduces user fatigue
- ★ Industry Versatility – Suitable for multiple working environments

Applications:

- ★ Construction
- ★ Manufacturing
- ★ Workshops
- ★ Mining
- ★ Maintenance operations
- ★ General industrial environments
