

### Technical Specifications:

Product Name	STEIF Foam Earplug 110
Packaging	1 Pair / Individual Pouch
Type	Disposable Foam Earplug
Material	Soft PU Slow-Recovery Foam
Standard:	CE 2777, EN 352-2:2002
SNR:	34dB

### Description:

The STEIF Foam Earplug 110 (1 Pair per Pouch) is designed to deliver effective hearing protection in high-noise environments. Manufactured from soft, slow-recovery polyurethane foam, these disposable earplugs gently expand to conform to the natural shape of the ear canal, ensuring a secure and comfortable fit throughout the workday. The unique shape allows easy insertion and helps prevent slipping during movement, providing reliable protection without pressure discomfort.

### Features:

- ★ Reliable noise reduction in high-noise environments
- ★ Soft slow-recovery foam for superior comfort
- ★ Contoured shape for easy insertion
- ★ Secure fit – resists backing out
- ★ Disposable, hygienic single-use design
- ★ Ideal for extended work shifts

### Applications:

- ★ Construction sites
- ★ Manufacturing plants
- ★ Metal and steel industries
- ★ Mining operations
- ★ Automotive workshops
- ★ Airports and heavy machinery areas
