

STEIF HORIZONTAL LIFELINE – MODEL 900202

PRODUCT DATA SHEET

Technical Specifications:

Model	900202
Brand	STEIF
Product Type	Temporary Horizontal Lifeline
Webbing Material	100% Polyester
Color	Orange
Webbing Width	30 mm
Length	20 meters
Attachments	2 Steel Carabiners (JE5017), 1.5" Cargo Lashing
Standard	EN 795: 2012 Type C

Description:

The STEIF Horizontal Lifeline – Model 900202 is a temporary anchorage solution designed to provide secure fall protection for workers operating at height. Constructed from high-strength polyester webbing, this horizontal lifeline is ideal for creating a temporary anchor line between two fixed points. Its durable design, combined with steel carabiners and cargo lashing components, ensures safety, reliability, and ease of installation in various industrial environments.

Features

- *High-strength polyester webbing for durability
- *20-meter length for flexible anchorage setup
- *Bright orange color for high visibility
- *Easy installation between two anchor points
- *Supplied with steel carabiners for secure connection
- *Includes cargo lashing for tensioning and stability
- *Lightweight and portable for on-site use
- *Suitable for multiple workers (as per system design)

Applications:

- *Construction and infrastructure projects
- *Roofing and maintenance work
- *Scaffolding operations
- *Industrial plant maintenance
- *Confined or elevated work areas
- *Temporary fall protection setups
