Description:

The STEIF MARS Mini Folding Earmuff in black is a compact and lightweight hearing protection solution designed for environments with moderate noise levels. Featuring a foldable design, it offers easy portability and storage, making it ideal for workers on the move.

Features:

- ★Foldable Design – Compact and portable, ideal for storage in tool bags or PPE kits
- ★Durable ABS Construction – Impact-resistant, long-lasting body
- ★Soft Foam Cushions – Comfort for prolonged wear
- ★Lightweight – Reduces fatigue during extended use
- ★Adjustable Fit – Suitable for various head sizes
- ★Effective Noise Protection – Helps reduce exposure to hazardous sound levels

Applications:

- ★Workshops & Light Manufacturing
- ★Construction Sites
- ★Airports & Transportation Hubs
- ★Indoor Machinery Operations
- ★Maintenance & Facility Services
- ★DIY and Hobby Work
